

AUBC Mission Statement

To provide the opportunity for lovers of sport to maintain a healthy and active lifestyle and play baseball for Adelaide University Baseball Club in the South Australian Winter Baseball competition by:

- Promoting participation to the student community
- Promoting participation of new players to the sport
- Promoting participation to any current player from any team involved in the South Australian Baseball League Summer competition
- Accepting people of all capabilities into the Club and offering them the best support and coaching that we can provide to assist them to achieve their potential
- Engaging effectively with our members and offering a good social framework whilst maintaining the excellent reputation of Adelaide University
